## HOBBIES

Fitness  
E-sports  
Cooking  
Aquariums  
Plastic models

# MICHAEL MULLER

Data Scientist

## EDUCATION

---

**CUNY, School of Professional Studies**, New York, NY  
Dec 2018  
M.S. Data Science  
Predictive analytics, Data mining, Recommender systems, Data visualizations, Statistics, Data scraping, Cloud computing

**SUNY, Stony Brook University**, Stony Brook, NY  
May 2014  
B.A. Political Science

## WORK EXPERIENCE

---

**Context Travel**, Manhattan, NY  
July 2018 – Present  
-Work alongside and advise CFO, CEO  
-Create and maintain Data-Driven work culture  
-Size, scope, and implement Data-Driven initiatives  
-Predictive and Statistical modeling  
-Data mining, standardizations, transformations, visualizations

**CUNY LaGuardia**, Queens, NY  
June 2018 – Present  
-Teach STEM courses to undergraduate students  
-Advanced C++  
-C++ for Engineers  
-Introduction to Python

**Above Grade Level**, Brooklyn, NY  
November 2015 – December 2018  
-Instruct students on technical aptitude in a class room environment.  
-Design curriculum and lesson plans

## SKILLS

---

• Business Acumen • Python / R / SQL • Statistical modeling • Data visualization guru • Model Validation • Machine learning • Cloud proficient
